KEY JOB REQUIREMENTS	
<i>Education:</i>	Vocational or Technical School required or High School Diploma or GED.
<i>Experience:</i>	5-7 years.
<i>Impact of Actions:</i>	Makes recommendations that may affect the entire department/division and the community.
<i>Complexity:</i>	Varied: Work is complex and varied and requires the selection and application of technical and detailed guidelines. Problems are not easy to identify, but are similar to those seen before. Moderate analytic ability is needed to gather and interpret data where results/answers can be found after analysis of several facts. Solutions can often be found by using methods chosen before in other situations.
<i>Decision Making:</i>	Analytic: Supervision is present to establish and review broad objectives relative to basic position duties or departmental responsibilities. Independent judgment is required to study previously established, often partially relevant guidelines; plan for various interrelated activities; and coordinate such activities within a work unit.
<i>Communication with Others:</i>	Requires regular internal and external contacts to carry out programs and to explain specialized matters. Occasionally requires contact with officials at higher levels on matters requiring cooperation, explanation and persuasion, as well as with the public involving the enforcement of regulations, policies and procedures.
<i>Managerial Skills:</i>	May be responsible for orienting and training others, and assigning and reviewing their work. May also be responsible for acting in a "lead" or "senior" capacity over other positions performing essentially the same work, or related technical tasks and reporting to a higher level on a formal basis.
<i>Working Conditions/ Physical Effort:</i>	Work requires only minor physical exertion and/or physical strain. Work environment involves only infrequent exposure to disagreeable elements.
<i>On Call Requirements:</i>	None.
